Home Care Package Fee Schedule

The Basic Daily Fee is an optional fee charged by providers and equates to 17.5% of the government aged care pension. Murroona Gardens offers the option of a Basic Daily Care Fee for Home Care package clients.

An income-tested care fee is a contribution that some people pay, as determined through an income assessment with Services Australia. This is a fee that Service Providers must collect towards the package funds, and because it is based on financial information that you provide, it is subject to change if your financial circumstances change as determined by Services Australia. If you have not yet determined if you have a fee to pay, please contact Services Australia on 1800 227 475 and request an income assessment.

You can purchase services from the government Home Care Package subsidy provided and in addition to the Home Care Package subsidy at the below rates.

All visit-related staff travel costs are charged at \$0.90 per km for all package levels.

The minimum scheduled service will be 15 minutes, and the entire scheduled visit time will be charged unless circumstances beyond the client’s control cause this to be shortened, or the client requires the staff member to stay longer. In both these circumstances the actual time will be charged.

Cancellation – Clients will be charged the full fee of scheduled service if visits are not cancelled by 2pm the day before the scheduled service, unless circumstances are beyond the client’s control. If Murroona Gardens is required to cancel a service due to a weather event or staffing, the client will be notified and not charged for this cancellation. All efforts will be made to offer a service on another day in the event of a cancellation from Murroona Gardens.
